Mobile no: [+91 9964919487](tel:+919964919487)

CAREER OBJECTIVE:

Highly motivated and detail-oriented WordPress Developer, eager to contribute my skills and passion for web development in an IT sector role. Committed to creating intuitive and visually appealing user interfaces while continuously expanding my knowledge and staying up-to-date with the latest industry trends. Dedicated to collaborating with cross-functional teams to deliver high-quality, performance-optimized websites that meet client objectives and exceed expectations.

EDUCATION:

Master's Degree:

In Master of Computer Application, Gulbarga University Kalaburagi, Gulbarga, Karnataka in the year of 2022.

Bachelor's Degree:

In Bachelor of Computer Application, Gulbarga University Kalaburagi, Basava Kalyan, Karnataka in the year of 2020.

TECHNICAL SKILLS:

- ❖ Understand the architecture and core functionalities of WordPress.
- ❖ Strong grasp of front-end technologies to customize the appearance of websites.
- ❖ Ability to create responsive and mobile-friendly designs. Proficiency in PHP, as WordPress is built on this server-side scripting language.
- ❖ Ability to write custom themes and plugins.
- ❖ Knowledge of database management, especially MySQL, which is used by WordPress to store data.
- ❖ Ability to create custom WordPress themes from scratch or modify existing ones.
- ❖ Knowledge of template hierarchy and theme customization.
- ❖ Experience in building custom WordPress plugins.
- ❖ Familiarity with hooks, filters, and actions in WordPress.
- ❖ Ability to identify and fix common issues and bugs in WordPress websites.
- ❖ Understanding of basic SEO principles and how to implement them within WordPress.
- ❖ Proficiency in creating websites that work well on various devices and screen sizes.
- ❖ Ability to work collaboratively with other developers, designers, and clients.

INTRANSHIP/EXPERIENCE

Digisnare Technologies

Digisnare Technologies During my internship at Digisnar Technology, I spearheaded a project focused on integrating HubSpot with a Learning Management System (LMS) using WordPress, PHP, HTML, CSS, and JavaScript. This initiative aimed to enhance the functionality and user experience of the LMS platform. My responsibilities encompassed Collaborating with the team to conceptualize and plan the integration process. Developing custom functionalities using PHP within WordPress to connect HubSpot's features with the LMS. Designing and implementing the user interface using HTML, CSS, and JavaScript to ensure a seamless and intuitive experience for learners and administrators. This experience amplified my proficiency in integrating diverse technologies, strengthened my problem-solving skills, and solidified my understanding of LMS systems, WordPress, and the utilization of third-party integrations for enhanced functionality in web development.

Thevividview.in

With hands-on experience in WordPress, I've adeptly navigated the platform's intricacies, honing my skills in theme customization, plugin integration, and site optimization. My proficiency extends to troubleshooting and providing solutions for common challenges. Through this tenure, I've contributed to the development of visually appealing and functional websites, ensuring seamless user experiences. My familiarity with HTML, CSS, and basic PHP complements my WordPress expertise, enabling me to tailor websites to specific client needs. Eager to leverage this experience in dynamic projects, I bring a passion for staying abreast of industry trends and a commitment to delivering high-quality web solutions.(Currently working here with notice period 15 days)
